Pet Food Association of Canada Martha 'Marty' Wilder Honourary Scholarship 2025

The Pet Food Association of Canada (PFAC) is pleased to offer the Pet Food Association of Canada Martha 'Marty' Wilder Honourary Scholarship to university graduate students pursuing studies in a field that can be applied to any aspect of the pet food industry.

This is awarded annually to one recipient in the amount of \$5000 CAD.

Background

PFAC is the national industry association that represents pet food manufacturers and suppliers to the industry that does business in Canada. PFAC members are responsible for the majority of pet food sales in Canada, and the over \$1 billion in exports to over 90 countries around the world. This scholarship is made possible through funding by PFAC member companies. The scholarship is offered with the hope that more students will pursue an interest in the pet food industry as a great option for an interesting, dynamic, and challenging career.

The scholarship's namesake, Martha 'Marty' Wilder, was Executive Director for PFAC for over 24 years, and contributed significantly to the growth and success of the pet food industry in Canada, and globally. The scholarship is named in her honour, as a recognition of the positive impact that she had on Canadian pet food.
